I will bring my own food/beverage We want to bring wine

(If you want to bring food/beverages or wine, we will need to discuss your potential need for plates, napkins, plastic drinkware, etc.)

Describe the salon services you want to make available at your party: *You can choose manicures/pedicures, massage, BrainLite massage chair, hair cut/style, etc. Although hair coloring requires too much time for a "normal party", we do have a group of 5 ladies who all color their hair and who all like wine, so they reserve time for a "color me party" every six weeks! For little girls' parties, we can include up-dos, a basic hair care class, etc. As you can see, your party is only limited to your imagination.*

Please use the space below to provide additional information about your party and those who will be attending, special billing requests, or any other considerations that will help us understand how we can best accommodate your wishes. *Your group can pay one special rate for a designated time frame where guests bounce between salon services, or you might request that each of your guests pay for their selected services individually.*

Of course we will need to coordinate more details with you, but the above information will be enough to get the ball rolling. Please tell us who to communicate with on behalf of this party request.
