HAIR STYLING SALON

The British Salon with American Style

Party, Party, Party....Everyone loves a party!!!

A *party* is a gathering of people (children, adults, ladies only, club or association members) who have been invited by a host or as a group for the purposes of socializing, conversation, or recreation. A party will typically feature food and beverages, and may or may not be themed!

Some parties are held in honor of a specific person, day, or event, such as a *Birthday Party*, a *Bachelorette Party*, *Christmas Party*, a *formal English Tea Party*, or a "Pamper Me" party. You name it! At Sandy's you can customize your party. You can host a party.....or you can have a "host-less" party where all invitees pay for their own portion of the party (for example, a "Girls Night Out" or a "We Deserve It" party).

We are the masters of customized parties. Graduation Parties, Wedding or Baby Showers.....you name it! We have the space and our goal is to meet your needs. Just tell us what you have in mind! We can even do repeating parties for those who want to block out 4 times a year (for example) to enjoy good friends and pampering; which makes it easier for everyone to lock in the dates far in advance. Everyone gets busy with spring and summer travels, and then holidays and way too many European Christmas Markets with so little time.....that it's hard to coordinate schedules UNLESS the dates are scheduled far in advance. **YOU CAN EVEN BRING YOUR OWN WINE!!!!** The staff at Sandy's is eager to be part of your celebrations!

We provide the food and non-alcoholic beverages, and array of spa services. Your theme or no theme at all; a private party that you design.

YOUR PARTY.....YOUR WAY!

Specify an established grouping of services for a any amount of time, OR let everyone hop from service to service without a specified amount of time.

Pay a group price for all, or let everyone pay for their specific services.

Ask about our *German Buffet*, *English Curry Party*, *English Tea Party Fare* as well as many more.

What better way to welcome new friends to the KMC, or to bid them farewell in the midst of packing up to leave?
